

Give Where You Live Day 2026 – Fund Survey

December 3-6, 2026

The Doniphan County Community Foundation is excited to partner with you for another successful Give Where You Live Day! To better support your fund and highlight your goals, please take a few minutes to complete this short survey.

Your responses will help us understand your priorities, celebrate your past impact, and share your story with donors.

**1. What is your fundraising goal for the upcoming Give Where You Live Day?
(Please share either a dollar amount, a donor goal, or both.)**

**2. Have you ever withdrawn from your fund to support a project? (Yes/No)
If yes, what was the project?**

3. Do you have a current project that you are raising money for specifically? (If yes, please describe.)

4. Thinking of the future, do you have a “big hairy goal” – a dream project that might feel out of reach today, but would make a major impact if achieved?

5. Optional: How can DCCF best support your fund’s success during Give Where You Live Day? (Examples: marketing, training, volunteer help, donor outreach, etc.)

Thank you for sharing your vision with us. Your answers will guide how we promote and celebrate your fund during Give Where You Live Day 2026.
